Thanks - do you by any chance have a copy of the contract, or can I find one online?

Hi Jeremy,
I hope you are well. Thank you for bringing this to my attention.
??The 30 minute lunch for doctors is per a collective bargaining agreement between Doctors Council Union and the City that occurred about 10 years ago. It is actually *requires* that physician work a 30 minute lunch rather than a 1 hour lunch per the negotiation, it also stipulated a change from a 37.5 hour work week to a 40 hour work week. CHS should know this. ?
Thank you
Melissa

Subject: FPECC Question
Hi Dr. Colley,

As you may know, FPECC recently transitioned to Correctional Health Services. We have timekeeping-related question, specifically, the rationale for permitting physicians to work 8 hours w/ only a 30 minute lunch (rather than 1 full hour which is standard). Please let me know if you have a couple of minutes to discuss. Thank you.
